I am originally from Chicago (CHI TOWN!!!) but grew up in Panama...(country not beach)

I have a bachelor's degree in Accounting (so different from math!!!) from University of Colorado (2001) and a Masters degree in Teaching Secondary Mathematics from Fayetteville State University (2016).

I grew up in the military and married a soldier in the U.S. Army (1994 - I was such a baby!!); we've been married for 26 years and have 5 children (4 girls and a boy).

Favorite team: Denver Broncos (don't judge)

Favorite food: salad - there are endless possibilities!

So excited to be involved in your child's journey to educational success!!!

The purpose of homework is to increase a student's level of comprehension as well as problem-solving and critical thinking skills. Homework will be assigned 2 - 3 times per week. and should take no more than 30 minutes to complete.

Students will be provided with the opportunity to submit late assignments or resubmit assignments after feedback is provided from teacher. The goal is grow!!!
